# Helping you choose colour

Panel colours  
ColourCoat  
High Gloss  
Screen prints  
Real wood veneers ^  
Granite  
Quartz  
Solid Surface  
Cubicle hardware

It's as easy as 1, 2, 3.  
Follow these simple steps to choose your perfect colour.

1

Choose a range.

Your first step is to choose your product from our extensive range.

2

Colour options.

Using the chart opposite, select a panel colour that's available for your product choice.

3

Cubicle hardware.

Now you've chosen your colour, you can select a finish for your hardware.

^ For real wood veneer choices see back of left hand booklet.

# Colour selector

Helping you create a stylish,  
co-ordinated washroom.

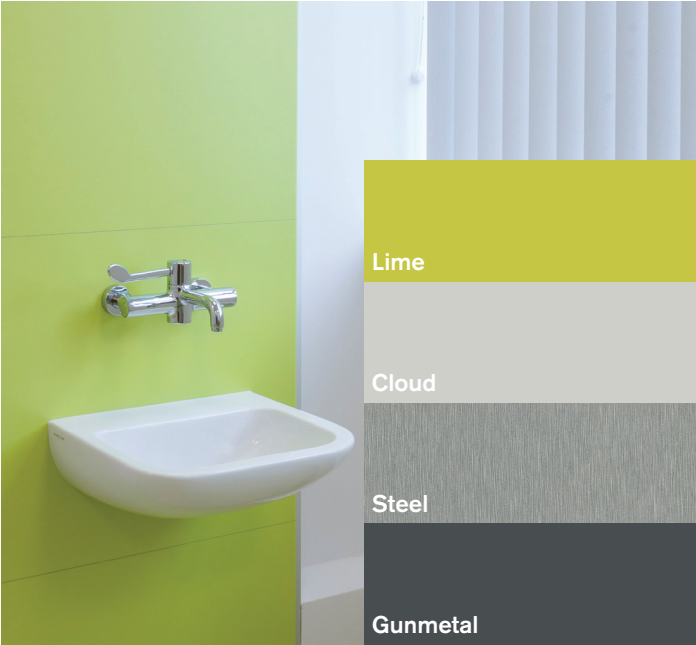

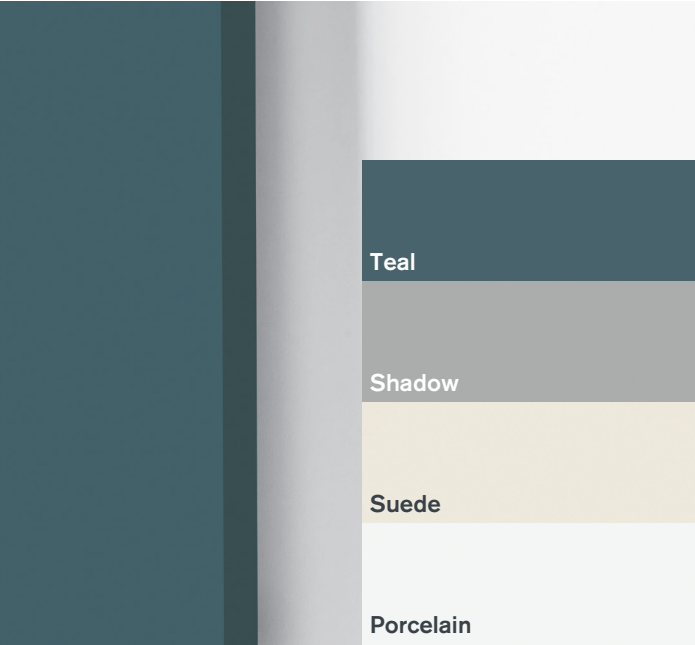

**Accent colour**  
Used sparingly, accent colours are a great way to create contrast or add extra depth to your overall colour scheme.

A little bit of differentiation goes a long way in any washroom environment. The examples below show the effect you can create with one carefully chosen accent colour.

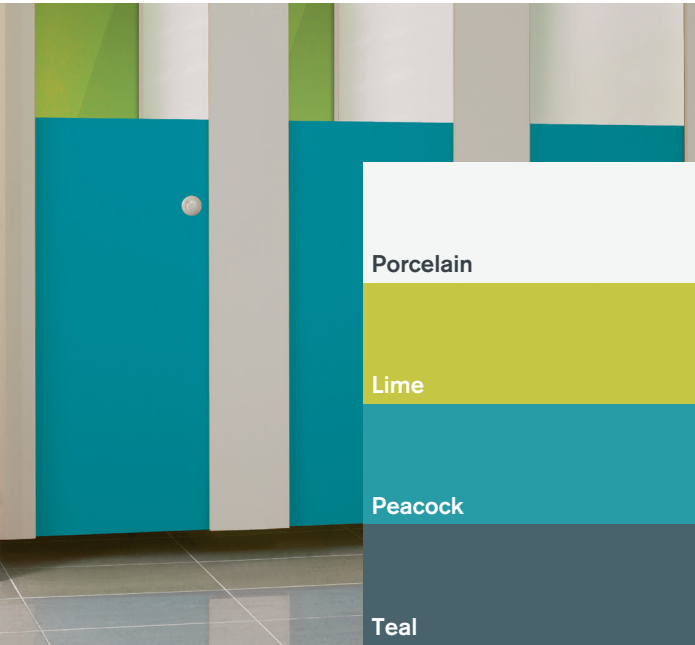

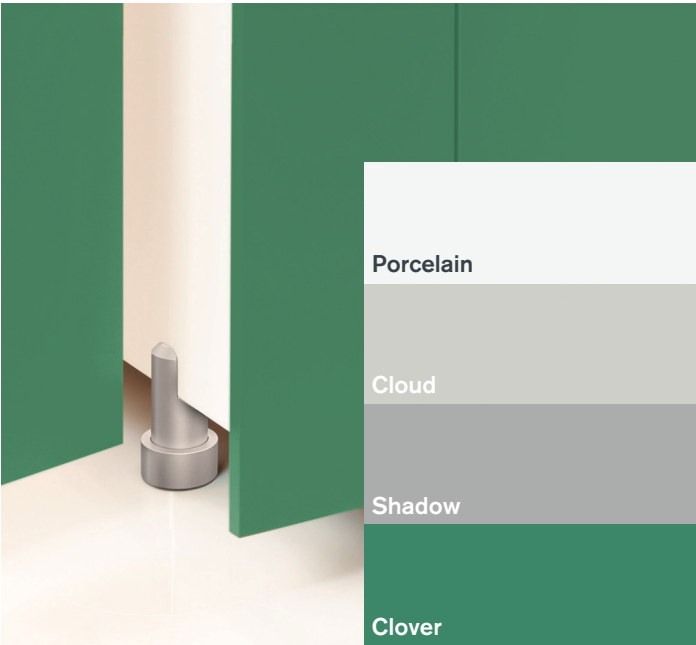

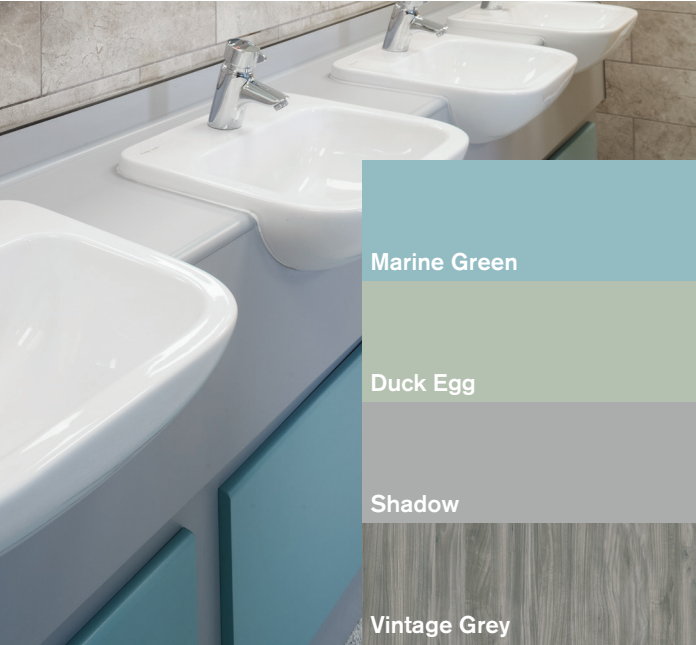

**Colour harmonising**  
Choose complementary colours for a stunning look that’s dramatic without being overpowering.

Harmonising colours is an effective way of making a lasting impact. Ask our friendly sales team and they’ll help you choose the optimum colour matches for your scheme.

(Please consult our swatch samples for an accurate colour reference)

(Please consult our swatch samples for an accurate colour reference)

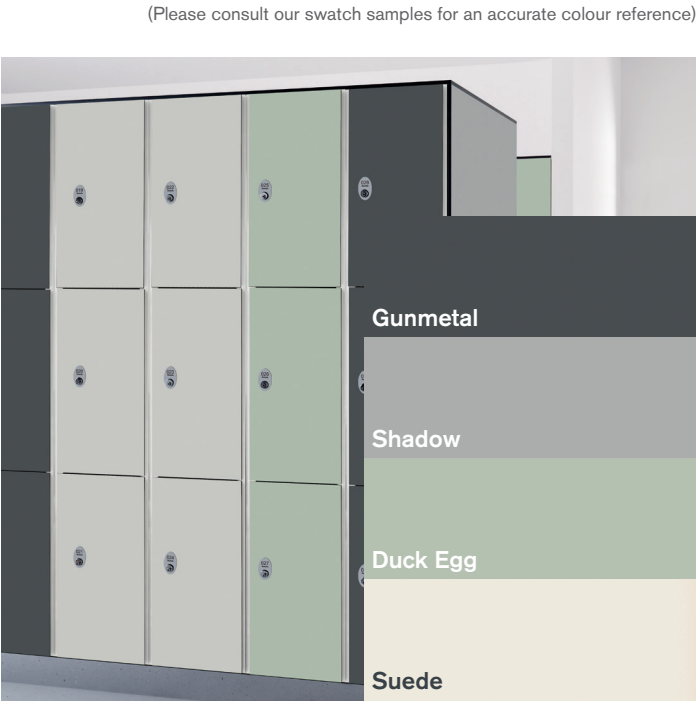

Tonal colour

Select varying shades of the same colour and you'll produce a balanced, co-ordinated finish.

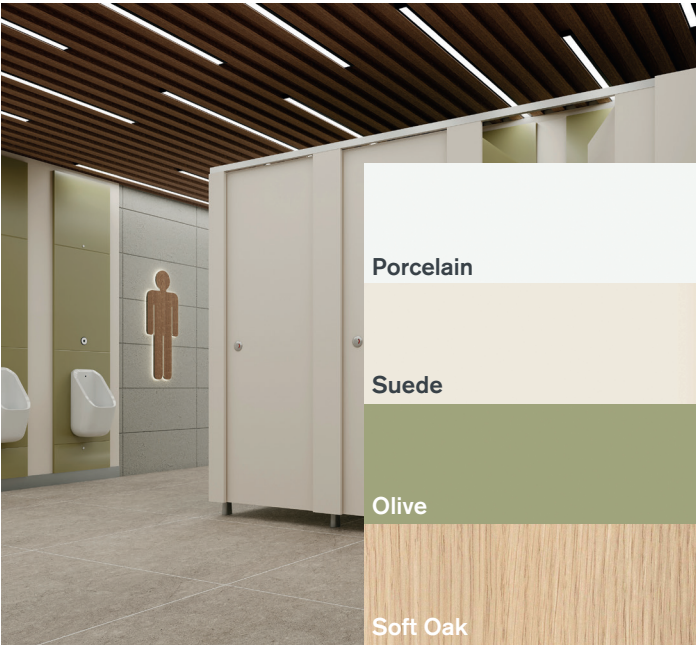

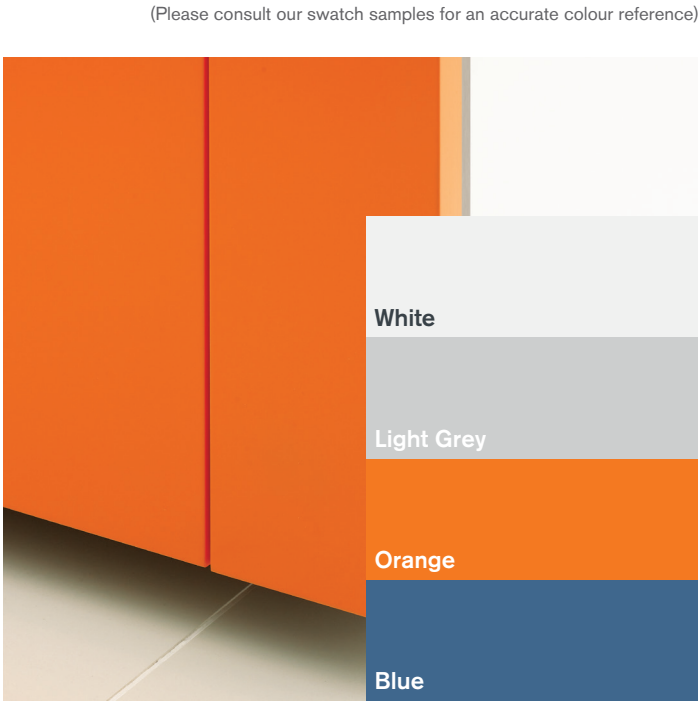

A blend of tonal colours makes a subtle statement. It's a great way to go when you're looking for a more understated aesthetic.

Contrasting colour

If you're opting for a really dramatic effect, choose contrasting colours.

These bold, bright colours are guaranteed to impress. From bright orange to lime green, if you want to make a big statement, this is the way to do it.

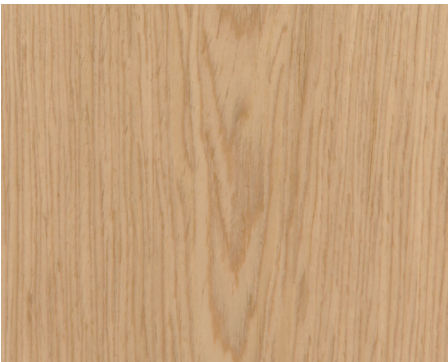

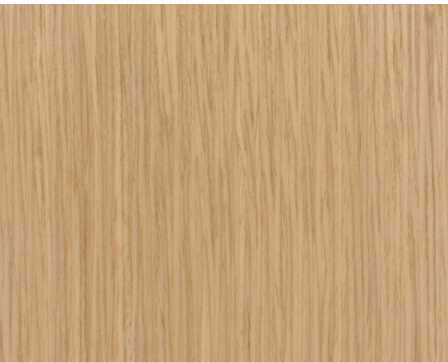

**Real wood veneers**  
Our sleek Alpi veneer finishes have been carefully selected to bring warmth and vitality to your designs.

Quartz vanity unit in Nougat.

Solid Surface washtrough in Everest.

# Panel colours

## We have a range of inspiring colours from neutrals to vibrant and impactful.

### Panel and vanity colours (MFC, HPL and SGL)

All plain colours and wood effects are available with matching ABS lipping. When specifying SGL no lipping is required, as all edges are radiused and polished black.

For your convenience, Luminescence Reflective Values (LRV)\* have been provided to help you ensure compliance with Building Regulations Part M and Equality Act 2010.

#### Hub of resources

Our online hub of helpful information provides you with everything you'll require for your washroom project planning and specifications.

Gain 24/7 access to digital brochures, NBS documents, CAD blocks, BIM files, datasheets, fixing instructions and more via our Technical Library. What's more, you can also order laminate, ColourCoat, granite, quartz, solid surface and real wood veneer samples to help you get creative with washroom colour.

Access all our resources by visiting [www.venesta.co.uk/resources](http://www.venesta.co.uk/resources)

## ColourCoat and High Gloss

ColourCoat is our vibrant range of contemporary spray painted colours. Doors, pilasters and panels finished in ColourCoat have a gloss value of 20%.

Edges are sprayed with a coat of primer and finished with 20% gloss pigmented lacquer.

Purple RAL4006

Red RAL3000

Orange RAL2008

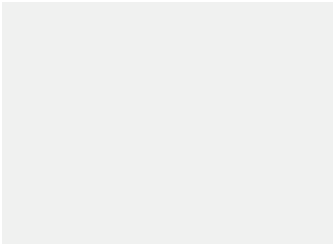

Yellow RAL1023

Green Pantone 382

Blue RAL5023

White RAL9003

Light Grey RAL7035

Mid Grey RAL7015

Dark Grey RAL7026

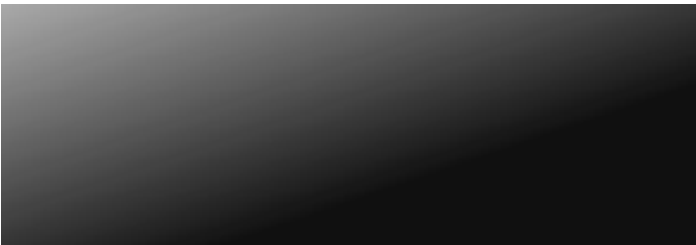

## Glass

4mm double back painted toughened safety glass is available for our premium V3 Sahara Glass range in timeless White or Black.~

Edges are polished for a smooth, beautifully translucent finish.

White

Black

~ Other glass colours available on request. Please consult our sales team on 01474 353333 for further information.

Note: for V3 ColourCoat and ColourCoat High Gloss products, any colour from the RAL Classic Colour chart can be chosen, except fluorescent and metallic.

# Cubicle hardware

## Our range of fittings have been designed to perfectly complement your selection.

## ABS

An exceptionally strong and long lasting material that's easily maintained and able to withstand the hardest treatment.

Light Grey LRV 64

Dark Grey LRV 26

## Aluminium

Our satin anodised aluminium hardware is a modern yet functional choice that provides a smart finish to any washroom.

Satin Anodised\* LRV 75

## Stainless steel

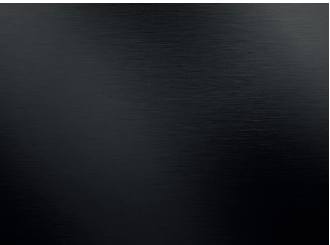

Sleek and stylish stainless steel adds a luxury feel to your choice of cubicle. Not only looking great, stainless steel also offers strength and durability.

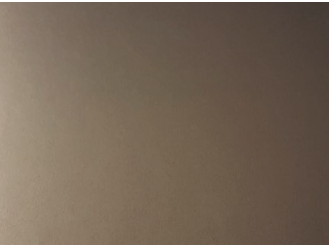

Stainless Steel\* LRV 45

## Effects

Satin anodised aluminium or stainless steel fittings are coated in black, brass or bronze effect finishes, for the most stylish washroom designs.

Black Effect\*\*^

Bronze Effect\*\*^

Brass Effect\*\*^

The chart in the left hand booklet can be used to reference the fittings available on all of our cubicle ranges.

\* Metal fittings have cost implications on some ranges. Please consult our sales team on 01474 353333 for further information.

^ Black, brass and bronze effect satin anodised aluminium and stainless steel fittings could incur extended lead times. Please consult our sales team on 01474 353333 for further information.

# Granite, Quartz and Solid Surface vanity surfaces

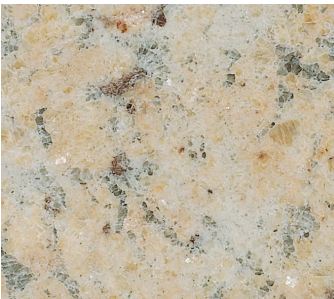

Our inspirational vanity surfaces are the ideal complement to your washroom.

## Granite

For prestigious washroom environments that require exclusivity.

The very nature of granite depicts individuality - each vanity surface will vary in colour and vein, which reflects the beauty of natural stone.

Choose Blue Pearl for a dramatic effect or Ivory Pink to create a calm, sophisticated ambiance.

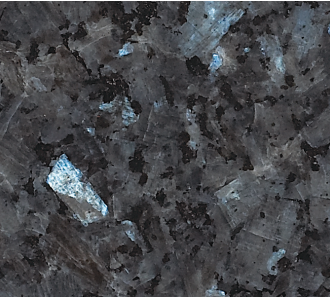

Ivory Pink VEN169

Giallo Veneziano VEN167

Rosso Multicolour VEN168

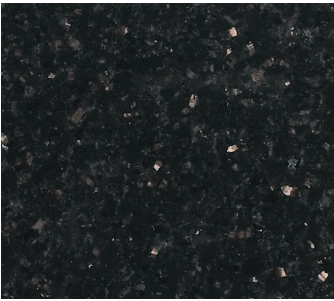

Blue Pearl VEN166

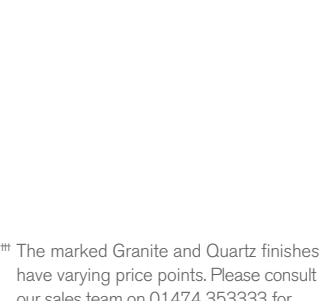

Emerald Pearl VEN165

African Black VEN163

Star Galaxy VEN164

Nickel VEN386

## Quartz

A contemporary vanity surface, combining the stunning visual impact of natural quartz with a resin composite for maximum durability. To create an architectural, engineered appearance, choose from a selection of natural tones with a textured, matt finish.

To add dimension, choose from a palette of highly polished stone effects.

Snow<sup>+++</sup> VEN381

Frost<sup>+++</sup> VEN384

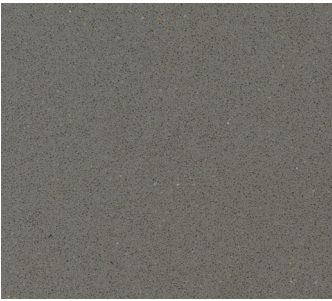

Dolomite<sup>+++</sup> VEN383

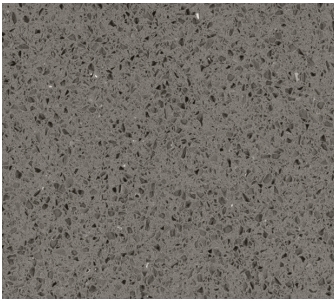

Nougat<sup>+++</sup> VEN382

Luna<sup>+++</sup> VEN385

Carbon<sup>+++</sup> VEN387

Battleship VEN388

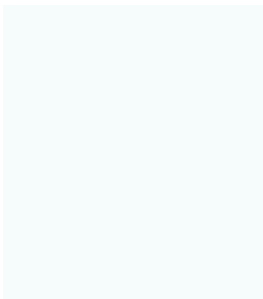

Jet VEN389

## Solid Surface

A proven blend of minerals and acrylic polymer delivering a stone appearance that ensures colour consistency and durability, while adding a touch of luxury to any washroom.

Make an impact with an energetic and vibrant colour like Bamba, or opt for a more muted colour like Katla to create a clean, minimal look.
